ASLO Biennial Congress
4th - 7th August 2022
Grand Hyatt - Melbourne, Australia

PROGRAM

BOOK NOW

Dr Didier Fillion - Post Congress Course Sunday 7th of August 2022

Dr Fillion will show why his techniques at Wabeez has evolved into a fully digital straight wire technique.

He will explain how this technique is the most accurate to position brackets and a reliable outcome for the patient. Its simplicity makes it particularly accessible to beginners. Showing how the differences between labial and lingual techniques are reducing chair and treatment time.

1.30 - 2.15 Advices and procedures to build a digital set-up. Explaining how his fully digital straight wire technique reproduces on the patient exactly what has been configured on the digital set-up.

3.00 - 3.30 Morning Tea (30 mins)

3.30 - 5.00 Presentation of case reports, showing the simplicity of the digital set-up and how it is particularly accessible for beginners but requiring experienced lingualists for the more demanding cases.
