

3MSM Health Care Academy

Incognito™ User Group Meeting

Sunday, 4 August 2019 - Pier One, Sydney

Are you looking to brush up on your skills using 3M Incognito™ Appliance, and earn CPD points? In an increasingly crowded orthodontic market, offering a differentiated option such as Incognito™ lingual braces can help you stand out in the eyes of prospective patients. Come and hear our speakers share their many years of combined experience using, and perfecting their use of the Incognito™ system.

A range of topics will be covered, as a reminder of the many benefits the product can offer. Here's a brief flavour of what you can expect to hear, and if you've got a specific question or challenge, you'll be able to ask questions throughout the meeting:

- Case sharing (including extreme space closure cases)
- Arch wire sequencing for efficient treatment in an acceptable time frame
- Incognito™ treatment mechanics (extraction and non-extraction)
- Class II correction using Forsus™ and Herbst
- Class I crowding (extraction and non-extraction)
- Incognito™ Lite
- Incognito™ for teens

The 3M team looks forward to seeing you at the free 3M Incognito™ User Meeting on Sunday, 4th August 2019. The registration web address will take you to the ASLO Congress (1-3rd August) site, where you can sign up for both events.

Date: Sunday, 4 August 2019

Time: 8:30am - 4:00pm

Address: Pier One Hotel
11 Hickson Rd
Walsh Bay
Sydney NSW 2000

CPD: 6 Hours

Dr Steve Stramotas - BDS (Wits), MSc Dent (Rand), MDSc (Sydney)

Dr Steve Stramotas completed his postgraduate specialist orthodontic degree at the University of Sydney, Australia.

He has been in private practice for 17 years and practices in Randwick, Sydney. Dr Stramotas was appointed as the Key Opinion Leader and ANZ speaker for the Incognito™ Appliance in 2012 and has lectured at numerous national and international meetings. He is also an honorary lecturer at the University of Sydney since 2000 and is involved in teaching the 'lingual programme' to the post graduates. Dr Stramotas plays an integral part in the Incognito™ certification courses and our continued education User meetings, lecturing on the Incognito™ Lingual System at basic, intermediate and advanced levels.

Dr Nour E Tarraf - BDS (Hons), MDSc (Hons), MRACDS (Ortho), MOrth RCSEd

Dr Tarraf finished his BDS at Cairo University with Honors in 2001 followed by an orthodontic residency at Cairo University. He then moved to Sydney where he completed his Masters degree in Orthodontics at the University of Sydney in 2008 with Honors. He works in private practice in Chatswood and is involved in research and teaching at the University of Sydney. With his practice composed of 40% adult patients, Dr Tarraf has a special interest in invisible orthodontic techniques such as lingual orthodontics and clear aligners. Dr Tarraf is the president of the Australasian Society of Lingual Orthodontics ASLO and is Titular member of ESLO and an active member of the WSLO.
